

Okinawa E-Motion

#flyingsummer2019

EVENTS SCHEDULE

Get ready for a little taste of summer
Tons of resort events are coming up!

Okinawa is so much fun even in May & June during rainy season.

The weather is great because it's not too hot
but you can still get in the ocean and swim.

The rain is warm, tropical, and never lasts too long.

This time of year is great because it's not peak season and you can get great deals.

It's a little secret for those who know

that May & June is the best season to visit Okinawa.

Take advantage of the New Campaign called 'Okinawa E-Motion'
that starts in 2019.
